

The FAA Safety Team presents:

Which Hazardous Attitude Dominates Your Decision Making at HAI HELI-EXPO 2016

Take a quiz and find out if you have a dominant hazardous attitude that affects your decision making. Receive links to sites that also offer online hazardous attitude assessment. We will also discuss when you are most susceptible to a hazardous attitude affecting your judgment. This course is offered at the HAI Rotor Safety Challenge at HELI-EXPO 2016. These sessions are FREE to all HELI-EXPO 2016 registered attendees and exhibitors.

Attend at least six Rotor Safety Challenge sessions at HELI-EXPO 2016 and receive a certificate of recognition for completing the 2016 HAI Rotor Safety Challenge.

Take the Safety Challenge in three simple steps:
1. Select safety sessions to attend from the HAI Rotor Safety Challenge Schedule. To see the full Safety Challenge schedule, visit <http://www.rotor.com/takethechallenge>.

2. At the conclusion of each session, receive an official token from the room monitor or presenter.
3. Once you have earned at least six tokens, drop by the HAI Safety Committee Booth on the show floor, turn in your chips to a committee member, and immediately receive a certificate of recognition.
